

住民ニーズに応える まちづくりの推進役です。

Our town councils goal is to answer the communities needs and concerns.

城里町議会は、町民の声を町政に反映させる使命を担って、町の行財政の方向性について審議を行っています。年4回の定例会のほか、必要に応じて臨時会が開かれ、予算・条例、請願・陳情などの審議をしています。議員は総務民生、教育産業の各常任委員会に所属し、専門分野について詳しく審議します。

The Town council discusses the direction of the administration and finances, shouldering the responsibility to reflect the voices of the community. The regular assembly is held 4 times a year, when the need arises, an extra assembly is held to deliberate on budgets, regulations and petitions. Each of our town council belongs to one of the standing committees, such as general affairs, public welfare, education, and industry, and all deliberate on a matter in their specialized fields.
